

At Akuna, our approach to wine is guided by respect — for craftsmanship, for place, and for the people who gather around the table. Each label on this list has been chosen with intent: not only for its quality, but for the story it carries and the conversation it may inspire.

We believe that wine should enhance the moment rather than define it. From quiet simplicity to bold expression, every bottle here represents a connection — between grower and guest, vineyard and plate, passion and patience.

It is a privilege to share these selections with you, and to be part of the moments they will accompany.

AKUNA NON-ALCOHOLIC BEVERAGE

At Akuna, our non-alcoholic beverages are crafted with the same care and creativity as our cocktails and wines. Each recipe begins as an idea from our team — a shared curiosity, a memory, or a flavour we love. Every drink is handmade, refined through techniques such as fermentation, infusion, clarification, and blending. The result is a thoughtful collection of balanced, expressive beverages that celebrate craftsmanship, seasonality, and the art of mindful drinking.
